

OPPORTUNITY AS INTERNEE

PITC intends to discharge CSR by exposing the fresh graduates preferably in IT to actual working environment. The internship program will provide learning opportunity for limited number of carefully selected fresh graduates.

The tenure of internship would be initially for a period of six months, extendable to one year on the basis of interest and good performance of internee. Internees would be paid Rs.10,000/- per months as stipend during the internship period.

The graduates (preferably in IT) may request for internship by providing academic transcripts.

Formal request be sent to undersigned by 16.11.2017.
