- 2.1 The quoted price must be firm, final, inclusive of all taxes, transportation charges etc. And should be in Pak Rupees.
- 2.2 The purchaser is not bound to accept the lowest offer not fulfilling the requisite criteria. The reasons for rejecting the lowest or any offer shall not necessarily be communicated.
- 2.3 Price will remain valid for at least 90 days from the date of opening of quotation.
- 2.4 The supplier shall be liable for liquidated damages @ 1% per day upto 10%, if he fails to deliver the equipment within delivery period.
- 2.5 Quantities given in Bill of Quantity are based on estimate and may increase or decrease up to any extent. Successful bidder shall be bound to supply the required quantity, on the approved rates within the validity of the rates.
- 2.6 Performance report and inspection of items supplied shall be carried out by the representative in the office of CEO (PITC).

3 Schedule of supplies

The delivery of the items will be required to be completed within 30 days after the issuance of Purchase order.

4 Warranty Period

The successful bidder shall provide comprehensive support services for a minimum period of one (01) year from the date of commissioning and formal acceptance of the services by PITC.

During the warranty period, the bidder shall be responsible for:

- a. Provision of 24/7 technical support services.
- b. Rectification of all hardware, software, configuration, and security-related issues at no additional cost to PITC.
- c. Replacement of faulty or defective hardware components, wherever applicable.
- d. Provision of software patches, firmware upgrades, security updates, antivirus signature updates, and bug fixes.
- e. In case the issue is not resolved within the prescribed timeframe, the bidder shall provide equivalent alternate/replacement resources or services until complete resolution of the issue.
- f. Ensuring uninterrupted availability and continuity of services throughout the warranty period (minimum 99.9% system uptime).
- g. Maximum response time for critical issues shall not exceed 2 hours.
- h. Maximum resolution time for critical issues shall not exceed 24 hours.

5 Evaluation methodology

The following is the Bid process / evaluation methodology that will be adopted for appointment of Contractor.

a. Single Stage – Single Envelope Procedure

- i. Each bid shall comprise one single envelope containing, separately, financial proposal and technical proposal (if any). All bids received shall be opened and evaluated in the manner prescribed in the bidding document.
- ii. The procuring agency shall evaluate the technical proposal in a manner prescribed in advance, without reference to the price and reject any proposal which does not conform to the specified requirements;
- iii. During the technical evaluation no amendments in the technical proposal shall be permitted;
- iv. The contract/Purchase Order shall be awarded to lowest bidder who will be technically compliant

b. Alternate bids will not be allowed.

c. Preliminary Evaluation The technical proposals will be reviewed for deviations, acceptance of terms and conditions, adherence to scope of work, purchase of bid document etc., In case of non-compliance on any of the above, bids will be considered as technically non-responsive.

d. Evaluation

Bidder as a part of his bid shall provide the following depending upon applicability:

- i) Company profile
- ii) NTN/GST Certificate
- iii) On Active Tax Payers List of FBR

- iv) Registration/Incorporation/Business Certificate and number of business years in Pakistan.
- v) A warranty certificate describing the guaranteed response time after a hardware failure when the complaint is logged within the warranty period. The maximum expected down time should also be defined and must not be more than 48 hours (two days). In case machine remains down beyond that duration, the bidder must have the demonstrated capability to replace faulty equipment.

e. Bid's Technical Evaluation

The Evaluation committee will evaluate the RFP proposals using the criteria below. The committee shall determine which proposals have the basic requirements of the RFP and shall have the authority to determine whether any deviation from the requirements of the RFP is substantial in nature. The committee may reject in whole or in part any and all proposals and waive minor irregularities.
