F = The price of the proposal under consideration

Proposals in the quality cum cost based selection shall finally be ranked according to their combined technical score (St) and financial score (Sf) using the weights T (the weight given to the technical proposal), P (the weight given to the financial proposal) and T+P=1, indicated in the data sheet.

$$S = St \times T\% + Sf \times P\%$$

Ranking of Proposal:

Ranking of proposals will be done by applying a weight of 0.70 (or 70%) and 0.30 (or 30%), respectively to the Technical and Financial Score of each evaluated qualifying technical and financial proposal and then computing the relevant combined total score of each Contractor.
