BACKGROUND

Power Information Technology Company (PITC) being the part of the system and technology provider for all the DISCOs for multiple ICT solutions will be an enabler of the solution in order to ensure the uniformity and smooth transfer of technology to each end user i.e. DISCO.

To facilitate DISCOs in improving their billing system and customer support services PITC intend to deploy new state of the art online integrated billing system (IBS). This IBS is one of the major applications of the company which provides software support to ten DISCOs of Pakistan for processing of electricity bills, revenue collection and other commercial activities of about 22.0 million consumers monthly at 25 data processing centers.

PROJECT INTRODUCTION

Integrated Billing System (IBS) is one of the core application & service of PITC. Legacy application provides software support to ten power distribution companies of Pakistan (DISCOs) for processing of electricity bills and cash collection of about 25.0 million consumers monthly at 25 data processing centers covering all Pakistan except KESC consumers.

PITC has undertaken a project to transform the legacy Billing module to the new generation of technologies. For this purpose PITC has developed in-house an Integrated Billing system using following technologies:

- a) Oracle 12C Database
- b) Web logic Server at Middleware
- c) ADF for development
- d) Solaris as OS

PITC is requesting proposals from vendors to provide Hardware, Software and Support Services for implementation of IBS for HESCO (DISCO) at PITC.

SECTION-IV:**I. SCOPE OF WORK**

The solution has been categorized in three (03) Lots.

LOT-A (Hardware-RISC Architecture)

Sr. #	Hardware / Equipment	Specifications	Quantity
1	Server	Minimum 12 Active Cores or higher , 256 GB RAM or higher	2
2	Server Rack	Standard 42 U	1
3	Production SAN Storage	12 TB usable (Combo of 3 TB on Flash and 09 TB on NL-SAS) with RAID 10	1
4	SAN Switches	12 Ports with 16 Gbps SFP's and cables	2
5	Core Switch	Layer 3, 24 Ethernet 10/100/1000 ports, 4 Gig SFP Ports, Switching Capacity 335 Gbps or higher and Packet Forward throughput 42Mbps or higher	2
6	Backup Solution		1
7	UPS Rack Mountable with Rack	10 KVA (Imported) with all accessories and cables	2

LOT-B (Hardware-RISC Architecture) (Failover / DR Environment)

Sr. #	Hardware / Equipment	Specifications	Quantity
1	Server Machine	Minimum 12 Active Cores , 256 GB or higher	1
2	Production SAN Storage	12 TB usable (Combo of 3 TB on Flash and 09 TB on NL-SAS) with RAID 10	1
3	SAN Switches	12 Ports with 16 Gbps SFP's and cables	1
4	Core Switch	Layer 3, 24 Ethernet 10/100/1000 ports, 4 Gig SFP Ports, Switching Capacity 335 Gbps or higher and Packet Forward throughput 42Mbps or higher	1
5	UPS Rack Mountable with Rack	10 KVA (Imported) with all accessories and cables	2
6	Server Rack	Standard 42 U	1

The detailed technical specification of all hardware is defined in Annexures below.

LOT-C (Software)

Oracle Database (12c or higher) and Oracle Web-logic Suit (12c or higher).

Note:

- a) Vendors may participate in any of these Lots.
- b) The specifications must be equivalent to above or higher/latest.
- c) Mention exact brand, model and part No. of quoted items and their supporting accessories.

Hardware Details: LOT-A (Hardware-RISC Architecture)

Technical Specifications of Hardware for RISC Machines.

Production Server - Technical Specs (QTY – 02)	
Components	Specifications
CPU Type	Proposed Machine should be Midrange/High-end
Installed Processors	Minimum 2 Installed CPU Chips.
Processor	Minimum 12-Cores Activated or higher, 4.1 GHz or higher Processor
RAM	256 GB DDR4 or higher installed memory, 256 GB permanently enabled Memory. Scalability to minimum 1TB or higher
Threads	Concurrent running threads per core : 4 or higher
Internal Hard Drives	4 x 600GB 10K RPM SAS3 DISK DRIVES or higher
NIC and Adapters	8x 100/1G/10G Base-T Ports or higher 3 x PCIe3 16Gb 2-port FC HBA or higher
External Drive	DVD writer
SSD Support	There must be support for SSDs
Power Supplies	Redundant Power Supplies
Power Cables	All necessary branded cables to plug Server Machines with RACK and UPS
Firmware Updates	Concurrent firmware updates
Processor Roadmap	Consistent processor roadmap to be submitted of the proposed technology
Operating System and Virtualization Software	
Enterprise level virtualization software	
Proposed Virtualization software should be Enterprise Edition (Min), and should enable PITC to create multiple virtual machines, with sharable processing resources and memory on the-fly automatically without any human intervention	
Proposed Virtualization to enable pooling of under-utilized cores, and system to assign them automatically to VMs which need more compute power.	
Capability for multiple VMs with different OS versions, providing better flexibility for PITC	
System should also be able to support physical I/O devices dedicated to VMs, along with virtualized I/O to other VMs.	
Multiple I/O Control domains/VM to be implemented to remove single point of I/O failures.	
System should support a critical running VM to be relocated from one system to another system within the same site (belonging to the same processor family) without any downtime. N-1, N and N+1 technology should be supported. This will help PITC better plan upgrades, maintenance times etc.	
Should support minimum two Operating Systems with atleast 1 supporting Oracle Database (11g or higher)	
Server Rack (Qty-01)	
Enterprise 42 U Rack	
2 PDUs with required necessary cables	
Admin Console (Qty-01)	
Administration Console with 17-inch collapsible screen and all required Hardware and Software	
A dedicated hardware based management server for proposed environment should be provided.	
The server management must provide secure and comprehensive local and remote management	
The server management must be accessible via serial port or via a dedicated 10/100 Base-T Ethernet	

network management port.
Warranty
3 year 24x7 HW support by Principal Engineers (Preferably)
3 year onsite SW Support by Principal Engineers – 4 Calls per year
3 year online Software Support by Principal
Please quote yearly support renewals for 4 th & 5 th year for hardware and software separately.
Implementation Services
All related implementation services to be included in the proposal along with SOW for complete implementation of HW/Virtualization/OS by Principal Technical Delivery Team with experience of similar implementations
Optional
Operating System based clustering software required, for smooth failover to second machine (8 cores or higher as per proposed machine for Oracle Database)
4 - 8 CPU Cores upgrade with 128GB RAM
Production SAN Storage - Technical Specs (QTY – 01)
Storage – Hardware
Proposed Machine should be with Dual Active-Active Controllers with minimum 8 cores processors per controller and 64 GB cache per controller or higher
12 TB physical useable capacity Combo of Flash and SATA (3TB Flash & 09 TB NL-SAS) or higher with RAID 10
Read Latency of Flash SSD/Card/Module should not exceed 250 micro second
8 x 16 Gbps FC Ports for Host Connectivity
Scale out Architecture
Software
Built-in software for Thin Provisioning, In-line De-Duplication / Compression
Built-in software for Native Replication over IP and WAN optimization to reduce the bandwidth requirement.
SAN Switches (Qty-02)
12 Active Ports with 16Gbps SFPs and cables
Backup Solution with Library (Qty-01)
Hardware:
Rack mountable Tape Library with automated robotic arm and redundant power supply
2 x Fiber Channel Drives with Path Failover with 10 x Ultrium 6 Cartridges and required cables
Software:
Backup Software for 2 x Fiber Channel Drives
Warranty:
3 year 24x7 HW support by Principal Engineers (preferably)
3 year Online Software Support by Principal (preferably)
Please quote yearly support renewals for 4 th & 5 th year for hardware and software separately.
Implementation Services:
All related implementation services to be included in the proposal along with SOW for complete implementation by Principal Technical Delivery Team with experience of similar implementations

SECTION – V BID EVALUATION METHODOLOGY

The following is the Bid process / evaluation methodology that will be adapted by Utilities for appointment of Contractor.

- a. RFPs will be given to all applicants / participants.
- b. Single Stage – Two envelopes Procedure
 - i. The bid shall comprise a single package containing two separate envelopes. Each envelope shall contain separately the financial proposal and the technical proposal;
 - ii. The envelopes shall be marked as “FINANCIAL PROPOSAL” and “TECHNICAL PROPOSAL” in bold and legible letters to avoid confusion;
 - iii. Initially, only the envelope marked “TECHNICAL PROPOSAL” shall be opened;
 - iv. The envelope marked as “FINANCIAL PROPOSAL” shall be retained in the custody of the procuring agency without being opened.
 - v. The procuring agency shall evaluate the technical proposal in a manner prescribed in advance, without reference to the price and reject any proposal which does not conform to the specified requirements;
 - vi. During the technical evaluation no amendments in the technical proposal shall be permitted;
 - vii. The financial proposals of bids shall be opened publicly at a time, date and venue announced and communicated to the bidders in advance
 - viii. After the evaluation and approval of the technical proposal the procuring agency, shall at a time within the bid validity period, publicly open the financial proposals of the technically accepted bids only. The financial proposal of bids found technically non-responsive shall be returned un-opened to the respective bidders; and
 - ix. The bid found to be the lowest evaluated bid shall be accepted.
- c. **Alternate bids** will not be allowed. Alternate technical modules, methodologies, approach, project plan or timelines that deviate from the defined scope will be considered as alternate bid and will be considered as non-responsive.
- d. **Preliminary Evaluation** The technical proposals will be reviewed for deviations, acceptance of terms and conditions, adherence to scope of work, formats required, purchase of bid document etc., In case of non-compliance on any of the above, bids will be considered as technically non-responsive.
- e. **Evaluation**
 - i. The total points for bid evaluation are 100 out of which the technical bid will carry 70 points and financial will be weighed 30 points.
 - ii. Technical bids will be evaluated as per given criteria in clause f below. The bidder will be declared technically qualified if score of technical factors is 70% or more.
 - iii. The financial bids will be opened only of those firms who will be technically qualified.
 - iv. The maximum points of financial bids will be allotted 30 to the lowest price bid that is opened and compared among those invited firms which obtain the threshold points in the evaluation of the technical component. All other price bids will receive points in inverse proportion to the lowest price; e.g;

$$\text{Price Score} = \frac{(30 \times \text{Lowest Bid Price})}{\text{Price Score of Bidder}}$$

Example:1st Lowest Bid Price = 10002nd Lowest Bid Price = 1050Price Score of 1st Lowest Bidder = $(30 * 1000)/1000 = 30.00$ Price Score of 2nd Lowest Bidder = $(30 * 1000)/ 1050 = 28.57$

- v. The technical responsiveness will be determined by evaluating the following factors.

		violation of any permission /license terms or infringement of any Intellectual Property Rights by the Contractor or its personnel during the course of performance by the Contractor, the Contractor shall have sole control of the defense and all related settlement negotiations.
25. Confidential Information	25.1	The Contractor and the personnel of contractor shall not either during the term or within two (2) years after the expiration of this contract, disclose any proprietary or confidential information relating to the assignment, the Services, this Contract or the Purchaser's business or operations without the prior written consent of the Purchaser.
	25.2	The Purchaser shall not use such documents, data, and other information received from the Contractor for any purposes unrelated to the Contract. Similarly, the Contractor shall not use such documents, data, and other information received from the Purchaser for any purpose other than the design, procurement, or other work and services required for the performance of the Contract.
	25.3	The Obligation of a party under this clause, however, shall not apply to information that: (a) The Purchaser or Contractor need to share with the institution participating in the financing of the contract; (b) Now or hereafter enters the public domain through no fault of that party; (c) Can be proven to have been possessed by that party at the time of disclosure and which was not previously obtained, directly or indirectly, from the other party; or d) Otherwise lawfully becomes available to that party from a third party that has no obligation of confidentiality.
	25.4	The above provisions of GCC Clause 25 shall not in any way modify any undertaking of confidentiality given by either of the parties hereto prior to the date of the Contract in respect of the Supply or any part thereof.
	25.5	The provisions of GCC Clause 25 shall survive completion or termination, for whatever reason, of the Contract
26. Subcontracting	26.1	The Contractor is not permitted to sub-contract.
27. Service Quality	27.1	The Purchaser may reject any Service rendered or any part thereof that fail to conform to the requirement of the purchaser.
28. Liquidated Damages and Penalty	28.1	Except as provided under GCC Clause 32, if the Contractor fails to perform any or all of the Services within the period specified in the Contract, the Purchaser may without prejudice to all its other remedies under the Contract, deduct from the Contract Price, as liquidated damages, a sum equivalent to 0.5% of the value of the Services, supplied beyond stipulated delivery schedule for each week or part thereof of delay until actual performance, subject to a maximum of 10% of value of such services.
29. Liability / Indemnity	29.1	The Contractor hereby agrees to indemnify the Purchaser, for all conditions and situations mentioned in this clause, in a form and manner acceptable to the Purchaser. The Contractor agrees to indemnify the Purchaser and its officers, servants, agents ("Purchaser Indemnified Persons") from and against any costs, loss, damages, expense, claims including those from third parties or liabilities of any kind howsoever suffered, arising or incurred inter alia during and after the Contract period out of:

	(a)	any negligence or wrongful act or omission by the Contractor or its agents or employees or any third party associated with Contractor in connection with or incidental to this Contract; OR
	(b)	any infringement of patent, trademark /copyright or industrial design arising from the use of the supplied Goods and Services or any part thereof.
	29.2	The Contractor shall also indemnify the Purchaser against any privilege, claim or assertion made by third party with respect to right or interest in, ownership, mortgage or disposal of any asset, property, movable or immovable as mentioned in any Intellectual Property Rights, licenses and permits.
	29.3	<p>The Contractor shall fully indemnify, hold harmless and defend the Purchaser Indemnified Persons from and against any and all suits, proceedings, actions, claims, demands, liabilities and damages which the Purchaser may hereafter suffer, or pay by reason of any demands, claims, suits or proceedings arising out of claims of infringement of any domestic or foreign patent rights, copyrights or other intellectual property, proprietary or confidentiality rights with respect to any Goods, Services, information, design or process supplied or used by the Contractor in performing the Contractor's obligations or in any way incorporated in or related to the assignment. If in any such suit, action, claim or proceedings, a temporary restraint order or preliminary injunction is granted, the Contractor shall make every reasonable effort, by giving a satisfactory bond or otherwise, to secure the suspension of the injunction or restraint order. If, in any such suit, action, claim or proceedings, the Goods or Services or any part thereof or comprised therein, is held to constitute an infringement and its use is permanently enjoined, the Contractor shall promptly secure for the Purchaser a license, at no cost to the Purchaser, authorizing continued use of the infringing work. If the Contractor is unable to secure such license within a reasonable time, the Contractor shall, at its own expense, and without impairing the specifications and Standards, either replace the affected work, or part, or process thereof with non-infringing work or part or process, or modify the same so that Hardware, Software & Support Services and back office Services becomes non-infringing at its sole cost and expenses.</p> <p>Survival on Termination</p> <p>The provisions of this Clause 29 shall survive Termination.</p>
	29.4	Defense of Claims: If any proceedings are brought or any claim is made against the Purchaser arising out of the matters, the Purchaser shall promptly give the Contractor a notice thereof, and the Contractor may at its own expense and in the Purchaser's name conduct such proceedings or claim and any negotiations for the settlement of any such proceedings or claims.
	29.5	The Purchaser shall, at the Contractor's request, afford all available assistance to the Contractor in conducting such proceedings or claim, and shall be reimbursed by the Contractor for all reasonable expenses incurred in so doing.
30. Limitation of Liability	30.1	Except in cases of gross negligence or willful misconduct:

	(a)	Neither party shall be liable to the other party for any indirect or consequential loss or damage, loss of use, loss of production, or loss of profits or interest costs, provided that this exclusion shall not apply to any obligation of the Contractor to pay liquidated damages to the Purchaser as referred to in Clause 28.1 of this Contract; and
	(b)	The aggregate liability of the Contractor to the Purchaser, whether under the Contract, in tort, or otherwise, shall not exceed the amount specified in the Contract Price. Provided that this limitation shall not apply to the cost of repairing or replacing defective equipment, or to any obligation of the supplier to indemnify the Purchaser with respect to patent infringement.
31. Change in Law and Regulation	31.1	Unless otherwise specified in the Contract, if after the date of the Invitation for Bids, any law, regulation, ordinance order or bylaw having the force of law is enacted, promulgated, abrogated, or changed in the place of the Purchaser's country where the Site /area of work is located (which shall be deemed to include any change in interpretation or application by the competent authorities) that subsequently affects the Delivery Date, then such Delivery Date shall be correspondingly increased or decreased, to the extent that the Contractor has thereby been directly affected in the performance of any of its obligations under the Contract.
32. Force Majeure	32.1	For the purpose of this Contract, "Force Majeure" means an event which is beyond the reasonable control of a Party, and which makes a Party's performance of its obligations hereunder impossible or so impractical as reasonably to be considered impossible in the circumstances, and includes, but is not limited to, war, riots, civil disorder, earthquake, fire, act of terrorism or sabotage, explosion, storm, flood or other adverse weather conditions, strikes, lockouts or other industrial action (except where such strikes, lockouts or other industrial action are within the power of the Party invoking Force Majeure to prevent), confiscation or any other action by government agencies.
	32.2	Force Majeure shall not include: Any event which is caused by the negligence or intentional action of a Party or such Party's Sub- Contractor s or agents or employees, nor. Any event which a diligent Party could reasonably have been expected to both (i) Take into account at the time of the conclusion of this Contract, and (ii) Avoid or overcome in the carrying out of its obligations hereunder.
	32.3	The failure of a Party to fulfill any of its obligations hereunder shall not be considered to be a breach of, or default under, this Contract in so far as such inability arises from an event of Force Majeure, provided that the Party affected by such an event has taken all reasonable precautions, due care and reasonable alternative measures, all with the objective of carrying out the terms and conditions of this Contract.
	32.4	A Party affected by an event of Force Majeure shall take all reasonable measures to remove such Party's inability to fulfill its obligations hereunder with a minimum of delay.
	32.5	A Party affected by an event of Force Majeure shall notify the other

		Party of such event as soon as possible, and in any event not later than forty eight (48) hours following the occurrence of such event, providing evidence of the nature and cause of such event, and shall similarly give notice of the restoration of normal conditions as soon as possible.
	32.6	The Parties shall take all reasonable measures to minimize the consequences of any event of Force Majeure.
	32.7	The decision of the Purchaser with regard to the occurrence, continuation, period or extent of Force Majeure shall be final and binding on the Contractor.
	32.8	Any period within which a Party shall, pursuant to this Contract, complete any action or task, shall be extended for a period equal to the time during which such Party was unable to perform such action as a result of Force Majeure.
	32.9	Not later than thirty (30) days after the Contractor, as the result of an event of Force Majeure, have become unable to perform a material portion of the Services, the Parties shall consult with each other with a view to agreeing on appropriate measures to be taken in the circumstances.
33. Change Orders and Contract Amendments	33.1	The Purchaser may at any time order the Contractor through Notice to make changes within the terms and conditions of this Contract, including any modification of the scope of the Services.
	33.2	If any such Change Order causes an increase or decrease in the cost of, or the time required for, the Contractor's performance of any provisions under the Contract, an equitable adjustment shall be made in the Contract Price or in the Delivery and Completion Schedule, or both, and the Contract shall accordingly be amended. Any claims by the Contractor for adjustment under this Clause must be asserted within twenty-eight (28) days from the date of the Contractor's receipt of the Purchaser's Change Order.
	33.3	No variation or modification of the terms of the Contract shall be made except by written amendment signed by the parties.
34. Extensions of Time	34.1	If at any time during performance of the Contract, the Contractor should encounter conditions impeding timely completion of services pursuant to GCC Section-IV, the Contractor shall promptly notify the Purchaser in writing of the delay, its likely duration, and its cause. As soon as practicable after receipt of the Contractor's notice, the Purchaser shall evaluate the situation and may at its discretion extend the Contractor's time for performance, in which case the extension shall be ratified by the parties by amendment of the Contract.
	34.2	Except in case of Force Majeure, as provided under GCC Clause 32 or where the delay in delivery of the Goods or completion of services is caused due to any delay or default of the Purchaser, any extension granted under clause 34 shall not absolve the Contractor from its liability to the pay of liquidated damages pursuant to GCC Clause 28.
35. Suspension	35.1	The Purchaser may, by written notice of suspension to the Contractor, suspend all payments to the Contractor hereunder if the Contractor fail to perform any of their obligations under this Contract, including the carrying out of the Services as per schedule, provided that such notice of suspension (i) shall specify the nature of the failure, and (ii) shall request the Contractor to remedy such failure within a period not exceeding seven (7) days after receipt by the Contractor of such notice of suspension and shall invoke contract performance guarantee.

Dispute Resolution

Each of the Service Provider, Contractor and Purchaser shall designate in writing to the other Party a representative who shall be authorized to resolve any Dispute arising under this Agreement in an equitable manner and, unless otherwise expressly provided herein, to exercise the authority of such Party to make decisions by mutual agreement.

The Parties agree (i) to attempt to resolve all Disputes arising hereunder promptly, equitably and in a good faith manner within thirty (30) Days of such Dispute arising; and (ii) to provide each other with reasonable access during normal business hours to any and all non-privileged records, information and data pertaining to any such Dispute.

14.1. Any dispute between the Parties as to matters arising pursuant to this Agreement which cannot be settled amicably within thirty (30) days after receipt by one Party on the other Party's request for such settlement may be submitted by either Party to arbitration.

14.2 In the event of dispute arising under or in connection with this Agreement between the Service Provider/ Contractor and Purchaser the same shall be referred to a Joint Dispute Resolution Committee.

14.3 The Joint Dispute Resolution Committee comprising of two (2) officers of executive director level from both the Parties shall be formulated for the purpose of amicably settling any day to day disputes that may arise in good faith

14.4 In case any dispute remains unresolved after the intervention of the Joint Dispute Resolution Committee, the Parties shall then contact the CEO of the Purchaser in which case both Parties agree and accept that the decision of the CEO of the Purchaser shall be final, conclusive and binding upon both Parties.

14.5 Reference to Service Provider/ Contractor for Dispute Resolution shall be made in writing by the Purchaser specifying distinctly and clearly all such questions and disputes not later than three (3) months after the occurrence of such questions and disputes.

14.6 Notwithstanding the foregoing, nothing herein prevents either party from applying to the courts of Pakistan for injunctive or other equitable relief to prevent or curtail any breach of this Contract or for enforcement of an arbitral award. However, if the Purchaser is dissatisfied with the arbitral award it reserves its right to approach the court of law.

14.7 The Parties shall use their best efforts to settle amicably all disputes arising out of or in connection with this Contract or its interpretation. In case the parties fail to resolve the dispute amicably the matter shall be referred to mediation before a CEDR accredited Mediator at the Lahore Centre for Dispute Resolution (LCDR). Mediation proceedings shall be held at Lahore and will be governed by the mediation rules. Additionally, the dispute may also be submitted for resolution to a senior partner of a Chartered Accountancy Firm. Both parties shall bear their own costs in such mediation and dispute resolution proceedings.

Section 14.8 Arbitration

After the expiration of the thirty (30) Days period, either Party may submit any Disputes arising under this Agreement, which cannot be resolved by the Parties, to binding arbitration pursuant to the Arbitration Act, 1940 as amended or superseded. The process shall be initiated by either Party delivering to the other a written notice requesting arbitration, with the other Party to respond to such request within ten (10) business Days. The Parties shall select a single arbitrator with knowledge of and over five (5) years of professional experience in connection with similar transactions and who has not previously been employed or retained by either Party and who does not have a direct or indirect interest in either Party or the subject matter of the arbitration. Such arbitrator shall be mutually agreed by the Parties within thirty (30) Days after written notice from either Party requesting arbitration, or failing Agreement, shall be selected under the Arbitration Act. Such arbitration shall be held in Pakistan. The Arbitration Act, 1940, as amended or superseded, shall apply to the extent not inconsistent with the rules herein specified. The arbitration shall be conducted according to the following procedures: (a) The arbitration hearing shall commence no later than thirty (30) Days after the selection of the arbitrator, (b) not later than seven (7) Days prior to the hearing date set by the arbitrator each Party shall submit a brief detailing its factual and legal position and a final offer for

settlement of the Dispute, (c) the hearing shall be conducted on a confidential basis without continuance or adjournment, (d) the arbitrator shall be limited to selecting only one of the two offers, (e) each Party shall divide equally the cost of the arbitrator or pay its own cost of arbitration and the hearing and each Party shall be responsible for its own expenses and those of its counsel and representatives, and (f) evidence concerning the financial position of the Parties, any offer made or the details of any negotiation prior to arbitration and the cost to the Parties of their representatives and counsel shall not be permissible. The award of the arbitrator shall be made no later than thirty (30) Days after the date of closing of the hearing, or if oral hearings have been waived, after the date of transmitting the final statements and proof to the arbitrator; provided, however, that in no event shall any award be made later than one hundred and twenty (120) Days after the date of the original demand for arbitration hereunder. The arbitrator shall be required to render a reasoned decision accompanying any award.

Notwithstanding the foregoing, nothing herein prevents either party from applying to the courts of Pakistan for injunctive or other equitable relief to prevent or curtail any breach of this Contract or for enforcement of an arbitral award. However, if the Purchaser is dissatisfied with the arbitral award it reserves its right to approach the court of law.
